CLARIFICATION: Two (2) consultants will be selected with each receiving a contract. One (1) consultant will be selected for Project A and one (1) consultant will be selected for Project B. Firms should submit only one response for consideration of both projects. No additional pages will be allowed in the response. The project approach should discuss both sections if the responding firm wants to be considered for either A or B, or discuss just one of the sections if the firm wishes to be considered for just one of the sections.
